

Dear Vendors/Exhibitors,

Physicians Circle for Patients is holding its 9th Annual Electrophysiology Cardiovascular Update on February 5th/6th 2022 at Chateau Élan for updates and review of new clinical information for management of cardiac diseases, pulmonary hypertension, heart failure, atrial fibrillation, stroke, and sudden cardiac death. We are expecting 250+ participants at this event.

We would like to invite you to have an exhibit at our conference or sponsorship. There will be a separate area set-up for food/snacks and exhibitors during the event. A single display including a 6ft/8ft skirted table will be available for your display. There will be three-fifteen minute breaks during the event and a one-hour lunch following the seminar, which will occur in the exhibit area. The following sponsorship's are available as outlined below as well.

To reserve an exhibit table, please make payment online at [PCP CME Website](#) , or make your check payable to Physician Circle for Patients (PCP) and mail to Dawn Dobbs, Program Manager, Physicians Circle for Patients, LLC at 2005 Prince Avenue, Athens, GA 30606. Tax ID #46-3445604. This is a AMA CAT 1 CME Approved Conference.

If you have any questions or need any more information on exhibits alone, please contact Dawn Dobbs at 706-296-8632 or email dawn@ahcspc.com

Sincerely,

Dawn Dobbs
